7. A Song of the Flowers (Lane). Boys of Middle School.

Sing me a song of the Spring-time
Of daffodils yellow and gold,
Of violets blue in the woodlands,
Of King-cups out on the wold,
Sing of the lilac blossoms
That open and close with day,
Sing me of every flower that comes with the month of May.
Sing me a song of the Spring-time,
A song of the golden hours,
When the world is gay and the month is May.
Sing, Oh sing me a song of the flowers.

Sing me a song of the Summer,
Of roses crimson and white,
Of lilies tall and stately,
That gleam like the stars of night.
Sing of the scented clover
With the humming of bees atune,
Sing me of every flower, that comes with the month of June.

Sing me a song of the Summer
A song of the golden hours
When the heart's atune and the month is June.
Sing, Oh sing me a song of flowers.

8. Swedish Drill. Girls of Standards V & VI.

9. Song 'Sunbeams' (Landon Ronald). Boys of Middle School.

Sunbeam, Sunbeam, where are you going
Leaving the deep blue skies?
You'll lose your way on the earth below,
When the fading daylight dies.
But the Sunbeam peeped through an open door,
And lighted a shadow there,
Then rested awhile, and found a home in the glint of a baby's hair.

Sunbeam, Sunbeam, where are you going?
Tell me that I may know
Where the mead will turn a deeper green,
And the roses brighter grow.
But the Sunbeam hurried upon its way,
As the swiftest arrow flies
And the next I saw shining out from the light of a maiden's eyes.

Sunbeam, Sunbeam, the chase is o'er
You are a prisoner now.
Though your bonds are as light as the crystal chain
That hangs from the dew-kissed bough.
Oh Sunbeam, Sunbeam, now I have caught you,
Never again will you roam,
For I found you and bound you for ever to me,
In the joy of our own dear home.

SIXTY-SECOND

Annual Report, 1927-28.

MR. ARCHDEACON, LADIES AND GENTLEMEN,

I have the honour to present the Sixty-Second Annual Report of the Boys' School.

NUMBERS.

Last year we reached a record in regard to the number of boys attending the School, but this year we have broken the record; the numbers on the Roll being 279 of whom 128 are Boarders, and 151 Day Boys. The Boarding House has been full for the third successive year, and Boarders have had to be refused owing to lack of accommodation, a very satisfactory position.

BUILDINGS.

No new building has been carried out, but owing to the Grant from the Society for the Propagation of the Gospel we have been able to keep the buildings in a good state of repair.

We hope soon through the kindness of Major Steele to have a clock in the Tower Buildings, a project which was very dear to the heart of my revered predecessor.

STAFF.

There has been one change in the Staff, Miss E. M. Clarke having to resign her position owing to the ill-health of her mother. Her place has been filled by Miss K. O'Hara.

CHAPEL.

During the year under review the Chapel collections amounted to Rs. 690, which has been divided amongst various charities, and during Lent, the boys made a voluntary self-denial offering of Rs. 173-15-1 which has been handed to the Cantonment Orphanage. This amount is a record for the School.

The Lord Bishop of Madras held a Confirmation at St. Mark's Church on October 24th, when 19 boys from the School were confirmed.

GAMES.

The Cricket Season was very successful; we played 21 games, won 11, drew 3 and lost 7. Colours for merit were awarded to

E. Gaudoin, D. Boosey, K. Hosking, J. D'Cunha, S. Appachoo, and R. Gilby.

The Football Season was a vast improvement on last year. We played 27 matches, won 16, drew 2 and lost 9. This is very good considering that most of the Matches are played against Military Teams who specialize in Football. Colours were awarded to E. Gaudoin, D. Boosey, K. Hosking, H. Ward, J. D'Cunha, and A. Pengelly.

In Hockey we played 30 games, won 17, lost 7 and drew 6, which is a very fair result for the Season, in spite of the fact that more was expected of the Team at the beginning of the Season. The Inter-Puchi Cup was won by the Cobras.

SPORTS.

The Annual Athletic Sports were held on August 26th and 27th. Many parents with their usual generosity presented many handsome cups and prizes, and we are deeply grateful to them. The Victor Ludorum was won by K. Hosking, who also was awarded the Medal presented by Mrs. Iyengar for the best all-round sportsman.

For the first time for many years we entered the Inter-High School Sports under the aegis of the City Y. M. C. A. and did very well, securing 5 first places, and were runners-up for the Championship, and we also won the Cup for the Tug-of-War.

EXAMINATION RESULTS.

The Examination Results were very satisfactory. In the High School 8 boys passed, 2 in Class 1 and 6 in Class 2. Distinctions were gained in Geometry (2), Elementary Mathematics (1), and Latin (1).

In the Middle School 9 boys passed, 3 in Class 1, 5 in Class 2 and 1 in Class 3. Distinctions were gained in English (2), Arithmetic (4), Latin (3), and Algebra (2).

In the Cambridge Certificate 9 passed, 1 with Honours.

In the Junior Cambridge Examination 15 passed, 5 with Honours and Distinctions were gained 1 in Scripture and 1 in Mathematics.

CADETS.

At last we have been able to obtain our own Cadet Officer, Mr. G. P. Hall having been granted the rank of 2nd Lieut., and Mr. Coombes ably assists him. Mr. Gill who for so many years carried on the work has resigned, and I should like to place on record my deep gratitude and thanks for all the work he put into the Corps.

36 of the Cadets attended the Annual Camp from September 24th to October 1st. All were classified as First Class shots, with the exception of one boy who shoots left-handed. Cadet Legge won the Junior Cadet Medal presented by Capt. Shearer, and Cadet Sgt. Boosey won the Senior Medal presented by Capt. Moss. Boosey also won the Silver Cup presented by Capt. Wyatt, V.D., for the Sports Champion of the Camp.

Two Church Parades were held during the year, one at the beginning of the Camp on September 25th and the other on Armistice Sunday.

I should like to place on record my thanks to Lt.-Col. McAlpine and to Capt. Doddington and to the Permanent Staff of the A. F. I. for the splendid arrangements made for the boys whilst in Camp. I paid two surprise visits to the Camp, and was well pleased with the arrangements and the care of the boys.

We were again defeated in the Tug-of-War and Drill Competitions, but Cadt. Leonard won the Wyatt Cup in the Inter-School Cadet Shooting Competition.

SINGING.

We were again successful in winning the Inter-School Singing Shield.

SCOUTS.

The Scout Troop numbers 61, of whom 13 are First Class Scouts and 40 Second Class, whilst several have gained their All-Round Cords.

Through the kindness of Mr. and Mrs. Mounsey the boys were able to have a Scout Camp at Kengeri during the September holidays. In the Annual Competition we were awarded the Chief Scout's Flag, which is given to the best all-round Troop in the Station, and Troop Leader Krishnaswamy was awarded the Bronze Medal for making the best progress during the year. On March 17th, Capt. Wailing invested the new Wolf Cub Pack.

Our best thanks are due to Mr. Hazell, Scout Master, and Mr. Lanyon, A. S. M., for their help during the year, and also to Capt. Wailing, District Commissioner, for the kindly interest which he takes in the Troop.

LIBRARY.

The whole system of the Library has been re-organized, and every boy from Standard III and upwards has now access to the General Library. I am pleased to note that many boys take advantage of the opportunity provided, and at least 60 books are issued a week. We notice that Henty is still very popular as a boys' author, whilst the bigger boys seem to be provided for by Edgar Wallace and Baroness Orczy.

Mrs. Anson-Jones presented a fine collection of boys' books to the Library.

We shall always be grateful for gifts of books for the Library.

ENDOWMENT FUND.

We have now reached the sum of Rs. 20,000 in our effort to endow the School, but we still need to go on building up the Fund. I should like to thank all who have helped, and plead for their continued support in this matter.

HEALTH.

One notices from the School records that every third year we have an Epidemic, and the year under review was no exception. At the beginning of the year we had a slight outbreak of Chicken-Pox and then an Epidemic of Influenza, but I am thankful to say that there were no complications, each complaint taking its natural course. Our very best thanks are due to Major Barnett, I.M.S. and Major Newton-Davis for their care of the boys, also to Mr. Hall whose experience in the R.A.M.C. during the war has been of invaluable help in dealing with minor ailments, and also to Mrs. Banks, the Matron, for their care of the boys.

OLD BOYS' ASSOCIATION.

On December 26th the First Annual Meeting of the Old Boys' Association was held, when the following Old Boys were present :

Messrs. C. B. Maiden, J. R. Coombes, K. Anderson, E. Wilkinson, F. Abraham, H. White, E. Sausman, W. Barling, J. Rozario, G. Charlesworth, Major Thipthorp, V. Roberts, S. Hart, T. Flanagan, E. Adams, C. Godfrey, E. C. Ward, M. Johnson, L. Boalth, A. E. O'Hara, V. Seddon, M. Labouchardiere, A. Woodhouse-Adolphus, D. Tate, and A. Gaudoin. The Warden was elected President and Mr. O'Hara as Secretary.

OBITUARY.

It is with the deepest regret that I have to record the death of Charles Bowers Maiden, an Old Boy and Governor of this School. The School has lost in him a devoted friend. May his soul rest in peace.

THANKS.

I should like to thank the Ven. the Archdeacon of Madras and Mrs. Smith for being present this evening, and to all the Staff for their valuable help during the year, and to all parents and friends for their kindly interest in the School during the past year.

Bishop Cotton Girls' High School.

SIXTY-SECOND
Annual Report, 1927-28.

MR. CHAIRMAN, LADIES AND GENTLEMEN,

I have the honour to present to you the Sixty-Second Annual Report of the Girls' School.

NUMBERS AND HEALTH.

The number of pupils attending the School shows an increase over last year. The attendance throughout the year was excellent. When we closed school in April there were 293 names on the register.

I am appending to this report that of the Medical Officer. We are grateful to Major Barnett, who has now left the station, and to his successor, Major Newton-Davis, for their care of the children.

EXAMINATIONS.

The results of the public examinations were very satisfactory. Seven girls passed the High School, two in the First Class, five in the Second. In the Middle School one passed in the First Class, ten Second, one Third. Distinctions were won in the High School in French, English, Elementary Mathematics (2), Domestic Economy (4); in the Middle School in Arithmetic (2), Algebra, English, French (2). In the Cambridge Local Examinations, six girls passed the Junior, Mary Garner winning Honours and Distinction in French; four girls obtained the School Certificate.

I wish to congratulate Miss Ethel Clark, an "Old Cottonian" on passing the School Certificate Examination. She had a little help here but most of the work she did by herself in her scanty leisure time.

In the Government Fine Art Examinations two students obtained certificates in Painting and two in Drawing.

The examiners in our Annual Needlework Competition found nearly all the work good, and that exhibited by Standards IV and II "excellent". The Needlework Shield, kindly presented by Mrs. Barton and Mrs. Cowdrey, was awarded to Standard IV.

The annual inspection took place in June. Mr. Yates says, "The day school continued on the same excellent lines; the

staff is adequate and good, the work in all departments very satisfactory."

Mrs. T. B. Russell kindly distributed the prizes at the Kindergarten Concert on December 7th.

GUIDES.

Our Guides have had a successful year; the parades have been well attended and good work was done. Last September our Company had again the pleasure of winning the Barton Cup at a Parade held in the Residency grounds by kind invitation of the Resident and Mrs. Pears. The District Commissioner, Mrs. Ross Skinner, inspected the Guides in February. Various picnics and tracking expeditions were undertaken during the year. The Guide Captain, Miss Thomson, the Brown Owl, Miss Johnson, and their lieutenants deserve our hearty thanks and congratulations.

GAMES.

It is encouraging to note that during the past year more interest has been taken in games, and the attendance has been good. Standard VIII won the shield for regular attendance. The Tennis Challenge Cup was keenly contested; Betty Littlewood and Phyllis Hudson had the honour of winning it. The Hockey Cup was won by the Yellow House and the Badminton Cup by Standard V.

On September 16th and 17th, we held our Annual Athletic Sports. Standard VII won the Class Challenge Cup, and Muriel Ford and Patsy Akey the Senior and Junior Cups. We were greatly helped by members of the Boys' School Staff, who always come to our assistance on these strenuous occasions. I desire, in the name of the School, to thank them and those parents and friends who subscribed so liberally to the Prize Fund.

During the year the sum of Rs. 222 was collected for our Orphanage Fund. This was divided, as usual, between the Cantonment and Wesleyan Orphanages here, and one at Home.

STAFF.

Last September Miss Farrar resigned her post as French Mistress here. We are grateful to Miss Farrar for her patient work during the four years she was with us. Miss M. Allen has been appointed French Mistress in her place and is doing good work here. In January, to our great regret, Miss M. Smith resigned her post in Standard II; her place was taken by Miss Healy. Miss Dennehy was appointed Music Mistress in place of Miss St. Pourcain, who left us to take up work at Naini Tal. Miss Hargreave was appointed Domestic Science Mistress.

During Miss Pollard's absence on her well-deserved leave Miss Norgaard took charge of the Boarding Home. We are grateful to Miss Norgaard for her ready assistance and kind care of the children.

OLD GIRLS' UNION.

June '27 saw the inauguration of our Old Girls' Union. We have long felt the need of some way of keeping in touch with past pupils. There is little that can give teachers more pleasure than to hear of the success in adult life of those whom they have taught in youth. Such pleasure we have experienced many times this year. It is almost invidious to mention any names where so many have done well. I would, however, like to congratulate Alma Hardy, who has recently taken the degree at the School of Tropical Diseases, London, and Phyllis Gahan, who in December last was first in the Presidency at the Final Examination of the Teachers' Training Course.

I hope that all our girls will, when they leave School, join this Union and come to see us when business or pleasure brings them to Bangalore.

LIBRARY.

A copy of the "Children's Encyclopædia" has been added to the Library. These ten handsome volumes are much in request On behalf of the readers, I want to thank Mrs. Eckersley very heartily for her generous gift.

We shall always be grateful for presents of books for our Library.

ENDOWMENT FUND.

Our Endowment Fund has not been supported as we should wish. Probably many people think that they cannot contribute anything worth while and so they do not contribute at all. This is a mistaken idea: if every parent would give 8 annas or a rupee a month, fears about finances would soon cease to overshadow our future.

The School suffered a great loss in the death of Mr. C. E Maiden. He had been for many years a Governor of the School and he and Mrs. Maiden have in many ways proved their interest and generosity. Our deep sympathy goes to Mrs. Maiden.

Mr. J. A. Yates has continued to act as Hon. Secretary for this School and has given us, throughout the year, his advice and assistance.

In conclusion, I wish to thank Miss Watt and all the Staff of this School for their hard work and willing co-operation, and Miss Pollard for her untiring care of the boarders.

FLORENCE S. ELMES,
Principal.

Medical Officer's Report, 1927—28.

GIRLS' SCHOOL.

The School is to be congratulated on its freedom from disease during the past year. There was one small outbreak of chicken-pox limited to three cases. These were immediately removed to the excellent Sick Ward and no further cases occurred.

There were no cases of fresh malarial infection during the year.

Medical inspections take place regularly once a week.

All new boarders are medically examined on arrival, special attention being given to defective teeth and eye-sight, the presence of adenoids, etc. Cases of illness are reported to the Medical Officer at once.

If considered suitable for treatment in the School they are removed to a very excellent sick room in charge of a capable Matron. If serious, the child is removed to the Civil Hospital.

The general health of the girls is excellent. They look healthy, happy and contented.

Special attention is paid to games such as tennis and hockey. The physique of the girls bears witness to the success attained in this direction.

Girl Guide work, scientific physical training and dancing are features of the curriculum.
